

Food Sensitivities Policy

We are committed to consistently producing Halal, Kosher, Vegetarian, Vegan products in meeting consumers' needs.

We achieve this by strictly adhering to our internal policy

- 1.As a global food manufacturer, we are extremely mindful of our obligations to comply with our customers' food sensitivity requirements.*
- 2.We ensure that all critical products certified by a recognised certification bodies.*
- 3.We ensure that all Yıldız Holding products are Halal compliant, following all appropriate rules and other requirements on prohibited products, unlawful food items and others.*
- 4.For items prepared for Kosher, Vegetarian and Vegan markets, the relevant associated rules and exemptions shall also follow.*
- 5.We have set up an internal committee from various disciplines to be responsible for all matters of Food Sensitivities Standards.*
- 6.We are frequently inspected and regularly audited by various organisations, domestically and internationally. On top of that, we perform internal audits or checks on a frequent basis.*
- 7.We believe that producing sensitivity food is about trust. We emphasise on staff training programmes and our continuous improvement process to strictly meet Halal rules and requirements.*
